**Re: Pick up of supplies**

Due to Premiere Jason Kenney's announcement on Tuesday, March 17, we have had to adjust our student supply pick up.

Following those recommendations, we are allowed only 50 people or less per gathering.

Therefore, on Thursday, March 19, **only parents/guardians are permitted in the school** to pick up your child's belongings.

To clarify all names and numerical calculations were sorted by the student's last name.

We will have our support staff at the front entrance to monitor the number of parents coming into our school.

Please remember that this is not a time to socialize, rather gather your child's belongings and exit the school.

Thank you for adhering to the 'social distancing' guidelines and remaining 1-2 meters away from one another while you wait to enter the school and while you are in the school.

The school bagged your child's belongings, however, we are asking that you please bring additional bags with you to collect your child's supplies as some teachers have novels and paper copies of school work for your child.

We recommend that you find a designated area in your homes to place all completed school work, so it can be returned to the teacher for assessment purposes.

Our office will be closed at 3:30pm on Thursday, March 19. If you can not make this date and time, we will arrange for pick up, after our spring break. The schedule is below.

Thank you for respecting the AB Government's recommendations and keeping yourselves and all staff safe and healthy.

Blessings,
