Report Card Highlights

- Student engagement remains high by using a wide variety of technologies, demonstrations, experiments, virtual author presentations, and Career and Skills Development classes.
- Our School Council has increased in numbers and now has a full Executive and hears the voices of all parents. The School Council has continued to grow and improve - offering hot lunches, first friday coffee, and staff appreciation. The School Council has supported our entire school community and provided opportunities to hear parent/guardian voices.
- Students have full access to the Dawe Library, school counsellors, our Family School Enhancement Counsellor (FSEC), division supports from our MS2 (Model for Student Support) team, the Indigenous Education Support Team, and Administration
- Our students receive intensive literacy and numeracy supports which allows students to achieve individual success.
- St. Patrick's families give a high level of satisfaction in teaching, learning, and understanding about Catholic faith. We continue to authentically celebrate our faith, focusing on all characteristics of Catholic identity.

Targeted Areas

St. Patrick's Community School is continually moving forward to ensure students receive the best possible faith-based education from our excellent staff. We focus on positive mental wellness and increased student success in literacy and numeracy, while building strong relationships with students, parents/guardians, peers, community, and parish. Our staff is continually working to meet the needs of all learners.

Future Priorities

Enrich our school's Catholicity by focusing on two characteristics of Catholic identity: community and tradition.

Create an inclusive environment designed to achieve a student's fullest potential through knowing, understanding, and responding to all learners.

In collaboration with our Division Indigenous Education Support team, continue to have students increase their knowledge and understanding of our Indigenous communities, traditions, and teachings through hands-on activities and demonstrations.

Improved understanding and implementation of professional practice standards with a focus on optimum student learning.

St. Patrick's will provide enhanced communication, engagement, and partnerships with parents and community.
