Dear Students, Parents, and Guardians,

We are thrilled to welcome each and every one of you back to St. Patrick's for another exciting school year! As we prepare to embark on this new journey together, I want to express my gratitude for your unwavering support to our wonderful Catholic school community.

Our school is not just a place of learning; it's a place where we come together as a family to nurture academic growth, spiritual development, and personal excellence. Our exceptional staff are dedicated to guiding and inspiring each student to reach their fullest potential, academically and spiritually. This year, our Division theme is ***Inspired by Christ on Journey to Encounter, Nurture and Serve***. This means that we want to reconnect our students and families with their faith and our parish. We invite you to celebrate mass with us at either Sacred Heart or St. Mary's Parish.

Let's work together to make this school year one of growth, achievement, and memorable moments. We look forward to witnessing the accomplishments of each student and the collective achievements of our St. Patrick's Community School family.

May this school year be filled with joy, learning, and blessings for all. Welcome back!

Here is some information about our first opening days.

School Opening

- The school office will be open to the public on August 8th starting at 8 am. Please come in if you need to bring in documentation, or need assistance.

School Council

- We are excited to renew School Council's presence at St. Patrick's. School council is also known as the Parent Advisory Committee (PAC).
- School Council depends on volunteers to help run events, like Family Fun Night, dances, and field trips. Let Mandy Reed, Principal, know if you would like to volunteer.
